

EXECUTIVE SUMMARY

THE LEADER IN UNIFIED CYBERSECURITY & COMPLIANCE SERVICES

TM

In a world of increasing compliance regulations, Abacode's Managed Cybersecurity & Compliance Provider (MCCP) approach reduces your operating cost and increases internal efficiency with the ability to outsource your cybersecurity & compliance program.

CONSOLIDATE YOUR CYBERSECURITY & COMPLIANCE

OUR TEAM

Executive Leadership - Our executives' backgrounds and experience range from Big 4 accounting firms, global cybersecurity consulting, military leadership, and extensive technical / business leadership expertise.

GRC - Our Governance, Risk, and Compliance readiness experts consist of former executives from Healthcare, Government & Military, Financial Services, Industrial Manufacturing, Auditing & Compliance, and Technology verticals.

Professional Services - Our delivery team is second to none in performing comprehensive policy procedure development, vulnerability assessments, penetration testing, employee awareness training, IR planning and world-class reporting / dashboards.

MDR - Our 24x7 Security Operations Center (SOC) is staffed with expert analysts trained to detect, respond and remediate threats utilizing all major SIEM | XDR | SOAR | MDR | EDR solutions.

GOVERNANCE, RISK & COMPLIANCE READINESS

GRC

DRIVING FORCES

More than ever before, GRC driving forces are becoming a condition of conducting business with your clients, vendors, and suppliers within the industries you serve.

END USER

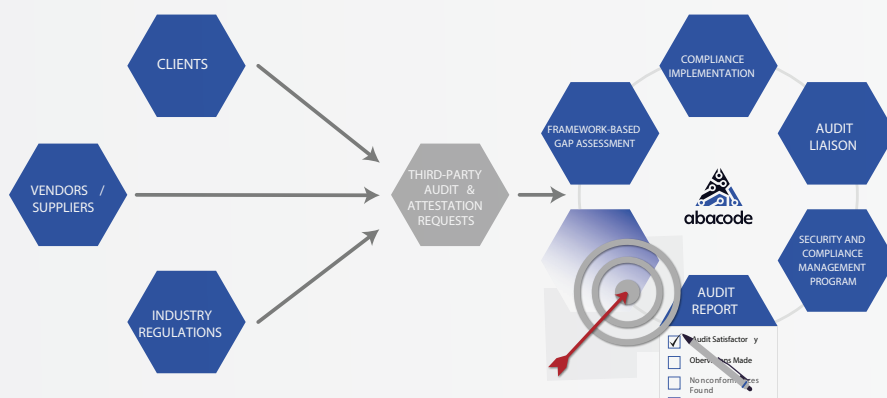

OBLIGATION

As a condition of conducting business, requests for audits and attestations are on the rise and have become an annual obligation by other organizations.

ABACODE

PLUG-IN AND LAUNCH PROGRAM

Abacode has created a holistic GRC Program. From advisory, policy & procedure development, services implementation, assessment / certification and ongoing management. We'll take you there... every step of the way

TESTIMONIALS

"Abacode was the first company that could not only advise our team on the right strategy but also implement and run an entire outsourced Cybersecurity and Compliance program for us."

Jim Miller
CIO

"Partnering with Abacode allows us to utilize the expertise of its staff to properly implement a managed cybersecurity program, helping to protect the Tampa Bay Lightning, Tampa Bay Storm, and AMALIE Arena against threats without the overhead of additional staff and resources focused solely in these areas. We are pleased to have Abacode as a partner."

– VP of Innovation and Technology Services

TAMPA BAY
LIGHTNING

"We rely on partners to help drive the Tech Data brand and services practice forward, and Abacode is one of those companies we've been incredibly excited to collaborate with. Abacode's people and process are second to none. They bring a level of quality and depth of services that are truly hard to find. Tech Data and Abacode, combined, are hard to beat."

– Vice President, Security Solutions
